

## A THREE MILE WALK NORTH-WEST OF CHEADLE

Leave the Car Park by the exit to High Street, cross over and turn left. Walk along High Street and then a raised walkway with railings (The Terrace). About 100 yards beyond the Terrace turn right into Park Lane and about 150 yards past the last house on your left (Bluebell Cottage) leave the track by a stile also on your left. The next stile will be seen ahead of you. Cross this and continue in the same direction as you ascend the field. A further stile comes into view as you crest the hill.

After crossing this, descend the field to a stile in the bottom left hand corner. In the next field turn left and follow the line of the tall hedge bushes, keeping below the pool and passing a redundant stile, until you come to a stile in the low hedge in front of you. Cross this and continue straight ahead for a few paces only, then cross the stile on your right. Keep ahead to another stile in the hedge and in the next field bear left when you reach the high point. The next stile - not easy to spot at first - lies in the fence 100 yards from the far left hand corner of this large field. After crossing this, head for the left hand corner of the next field to emerge on the main road (A522) by a bungalow.

Cross the road carefully to another stile, descend the field to a footbridge and ascend the steps into the field. Harewood Hall lies to your right here. Bear left to the top corner of this field where the stile in the hedge is not obvious until you are near to it. Head to the top of the next field slightly to the left of centre, cross the stile and turn left along the green track for a few yards to a road (Clemgoose Lane).

Turn right along the lane and about 200 yards past the farm on your right cross a stile on your right. Go through the gap in the hedge ahead of you and then bear left to the bottom left hand corner of the field. Follow the hedge on your left to a stile. Cross this and continue with the hedge on your right until you are about half way down the field, then bear left to cross a stile in the centre of the hedge at the bottom. Cross the next field still bearing slightly to the left to come to a footbridge in the bottom left hand corner.

After crossing this bear left again heading towards the bungalow near the far left hand corner of the field to reach two small gates at the end of a cul-de-sac and continue straight ahead along the road (Highfield Avenue) to the main road (A521). Turn right, and at the junction turn left to reach High Street at the first mini-roundabout.
